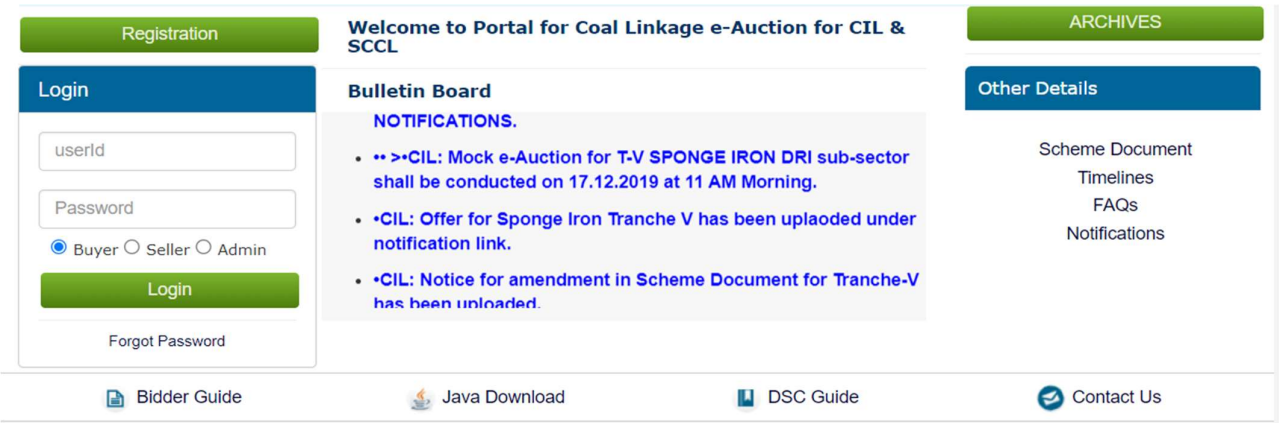
Registration Methodology

In order to participate in the auction of NRS Coal Linkage, a Bidder would be required to register its Specified End Use Plant with the e-auction website of MSTC Ltd. For this, the Bidder should visit the website of MSTC limited. URL of the registration page is given below:-

https://mstcecommerce.com/auctionhome/coallinkage/reg.jsp

click on the button"**Registration**"



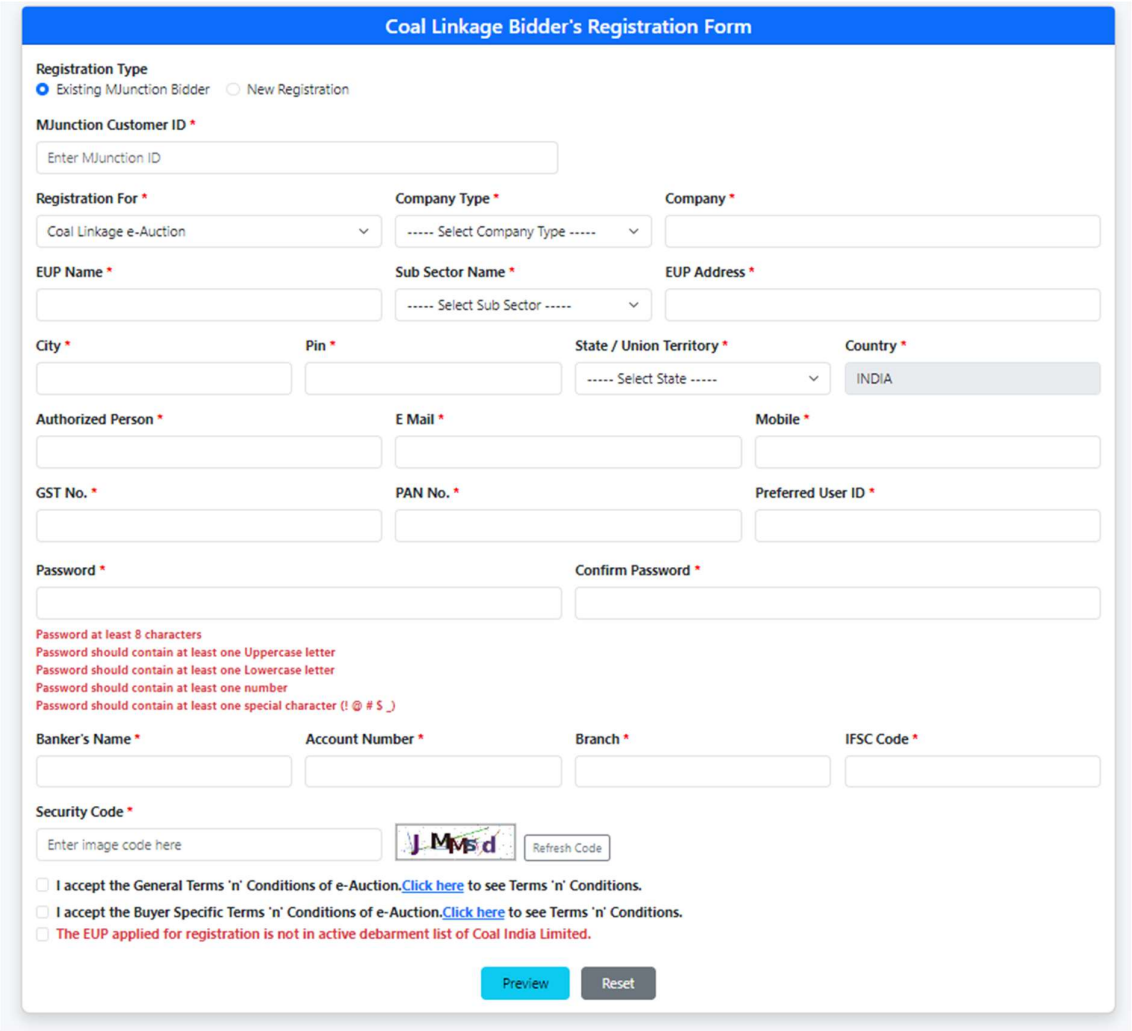
After Clicking on "**Registration**", Registration form for Coal linkage Bidder shall appear on the screen.

In the registration form, Registration type has to be entered by the bidder.

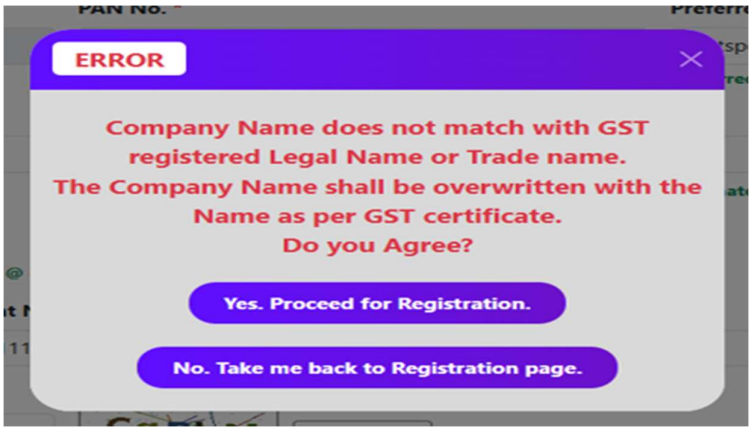
- Existing MJunction Bidder
- New registration

Case 1 - Existing MJunction Bidder

1) On clicking on Existing MJunction Bidder, majority of the input shall be populated with the details filled by bidder on previous service provider portal. The bidder has to fill the remaining details. The bidder shall create his user id and password and keep note of the same. The bidder shall ensure that the secrecy of his user id and password is maintained at all times and he/she shall alone be responsible for any misuse of the user id and password. Bidder have to accept all the terms i.e **General Terms 'n' Conditions and Buyer Specific Terms 'n' Condition.**
Bidders are also required to declare that "The EUP applied for registration is not in active debarment list of Coal India Limited."



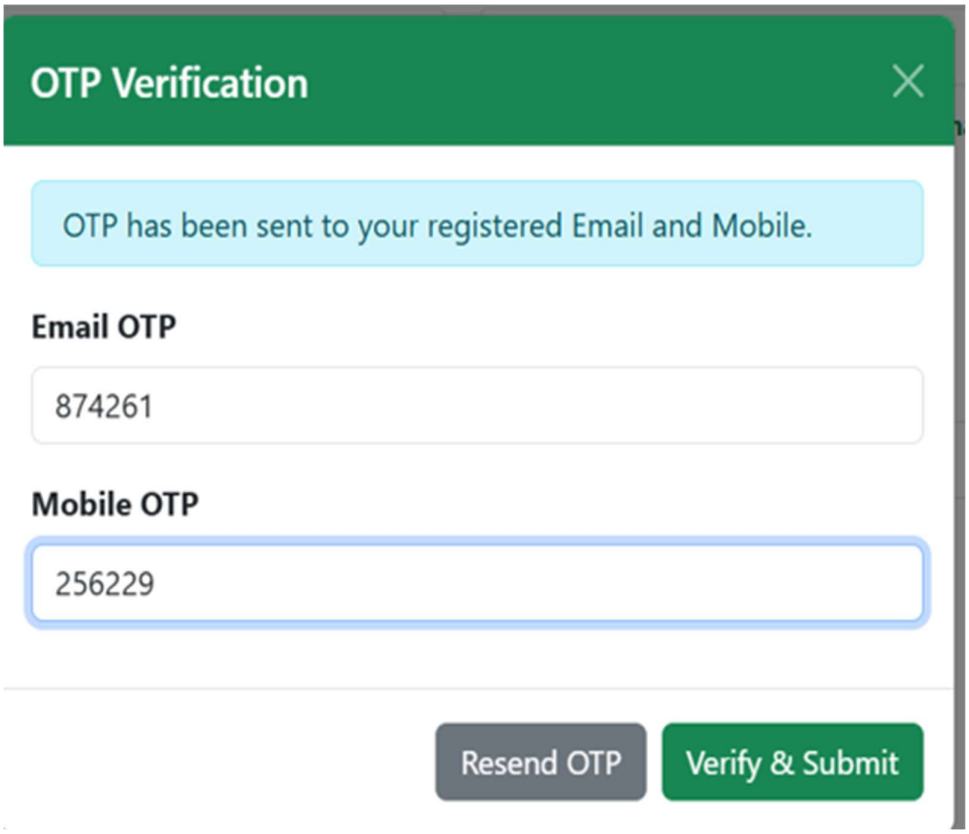
If company name does not match with GST registered Trade name, system shall prompt for consent to replace the company name with the trade name mentioned in GST certificate.



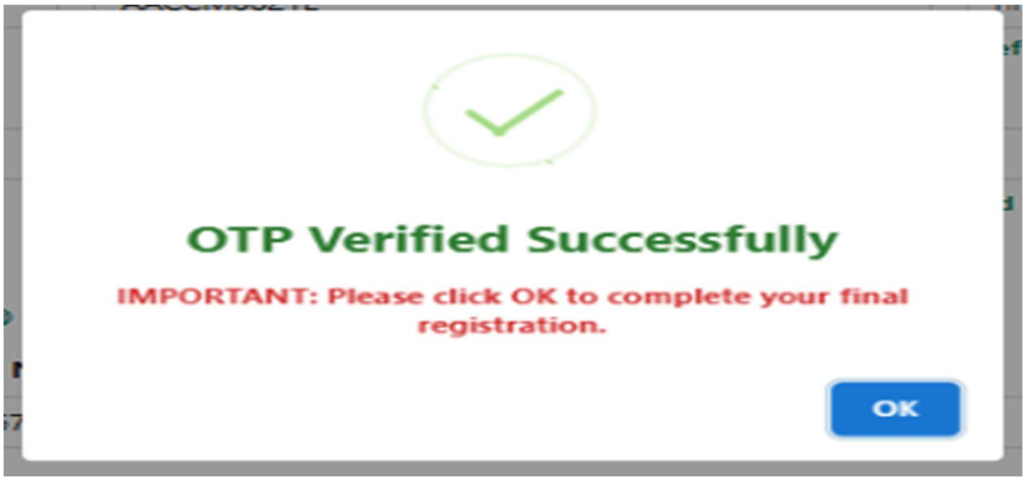
Registration shall proceed on clicking “Yes. Proceed for Registration”

After that Preview registration detail will be displayed on screen and Bidder have to click on “Verify Detail”.

After that bidder must verify their mobile and email address through One Time Password (OTP).



After successful verification, following screen shall appear

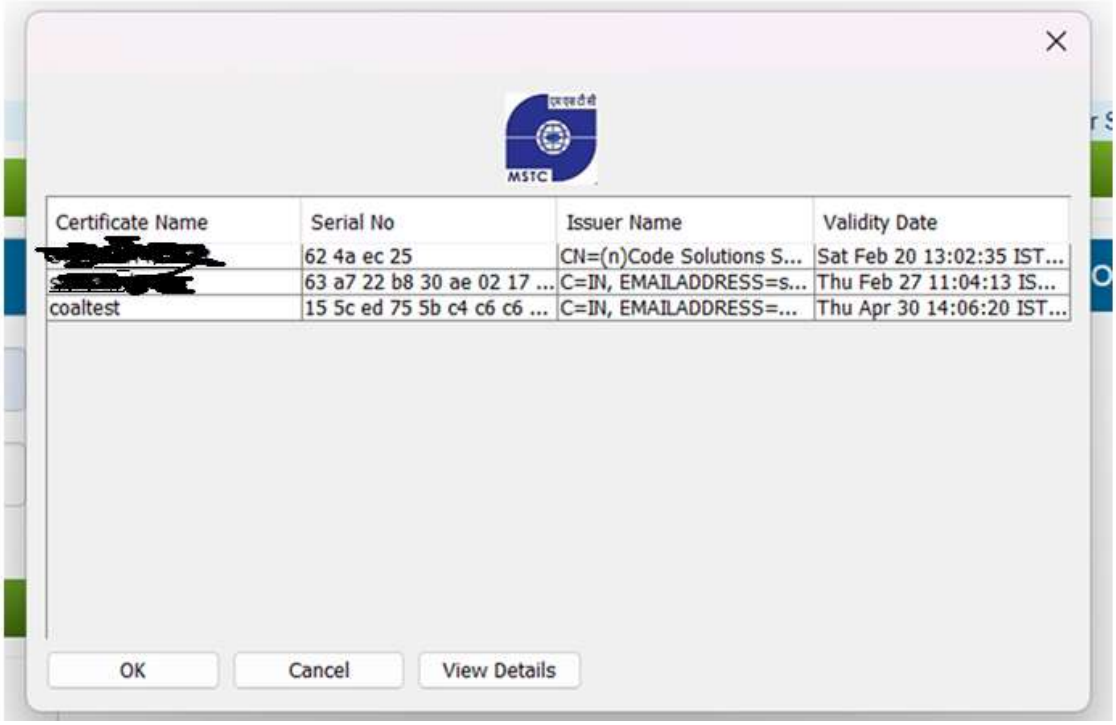


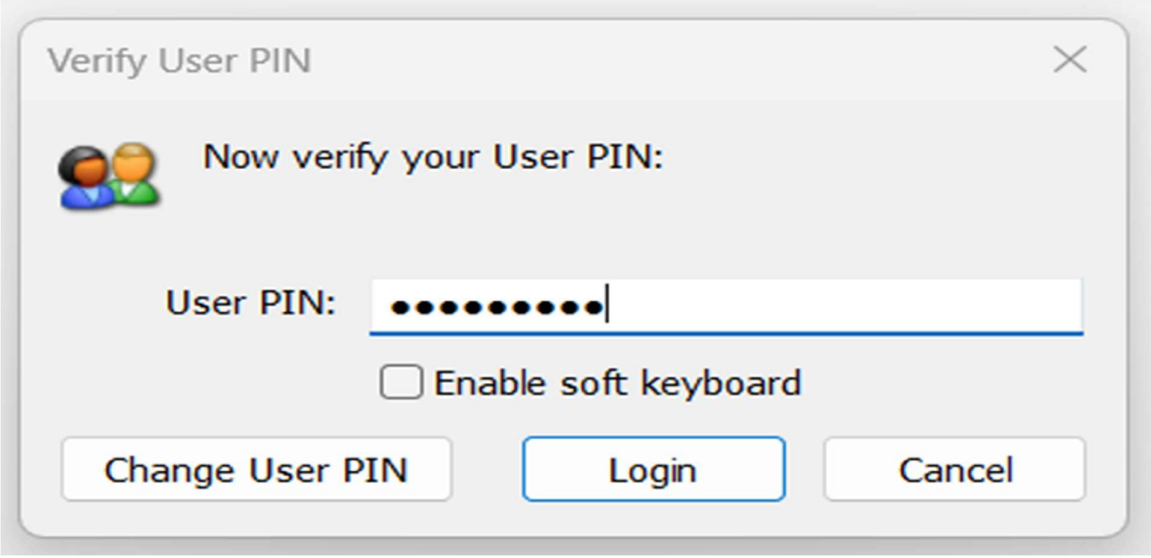
Bidder will get registration confirmation email with registration details on their registered email id.

Bidder can login the Userid and Password on MSTC Coal linkage portal.

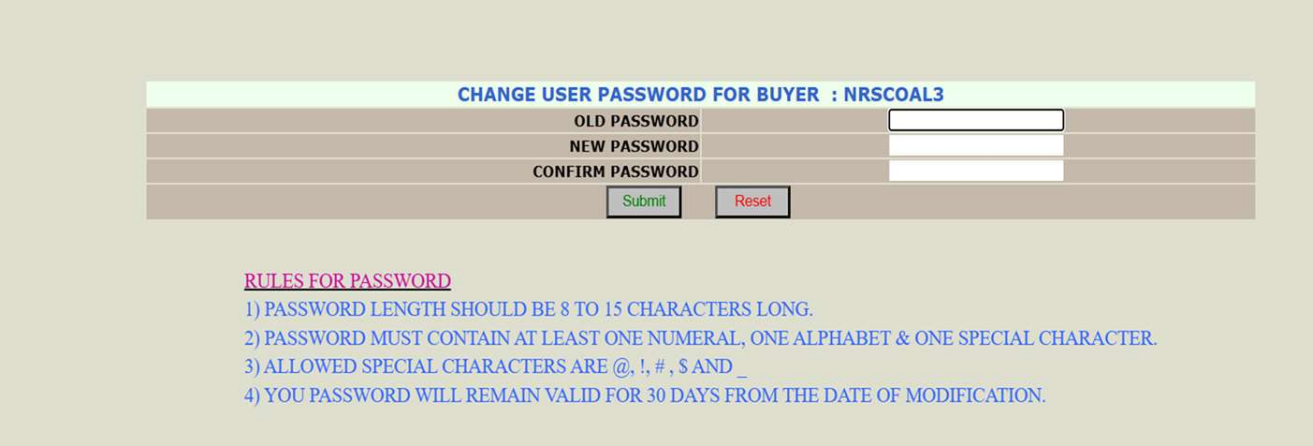
Note:-

The Bidder shall have to register its DSC upon first successful login. The said DSC then shall get mapped with the registered bidder id. Bidders may note that only one user id will be mapped with a given DSC. DSC once mapped with a particular user id of a Bidder will normally not be changed and therefore Bidders are advised to select the correct DSC which is to be mapped with the corresponding bidder id.

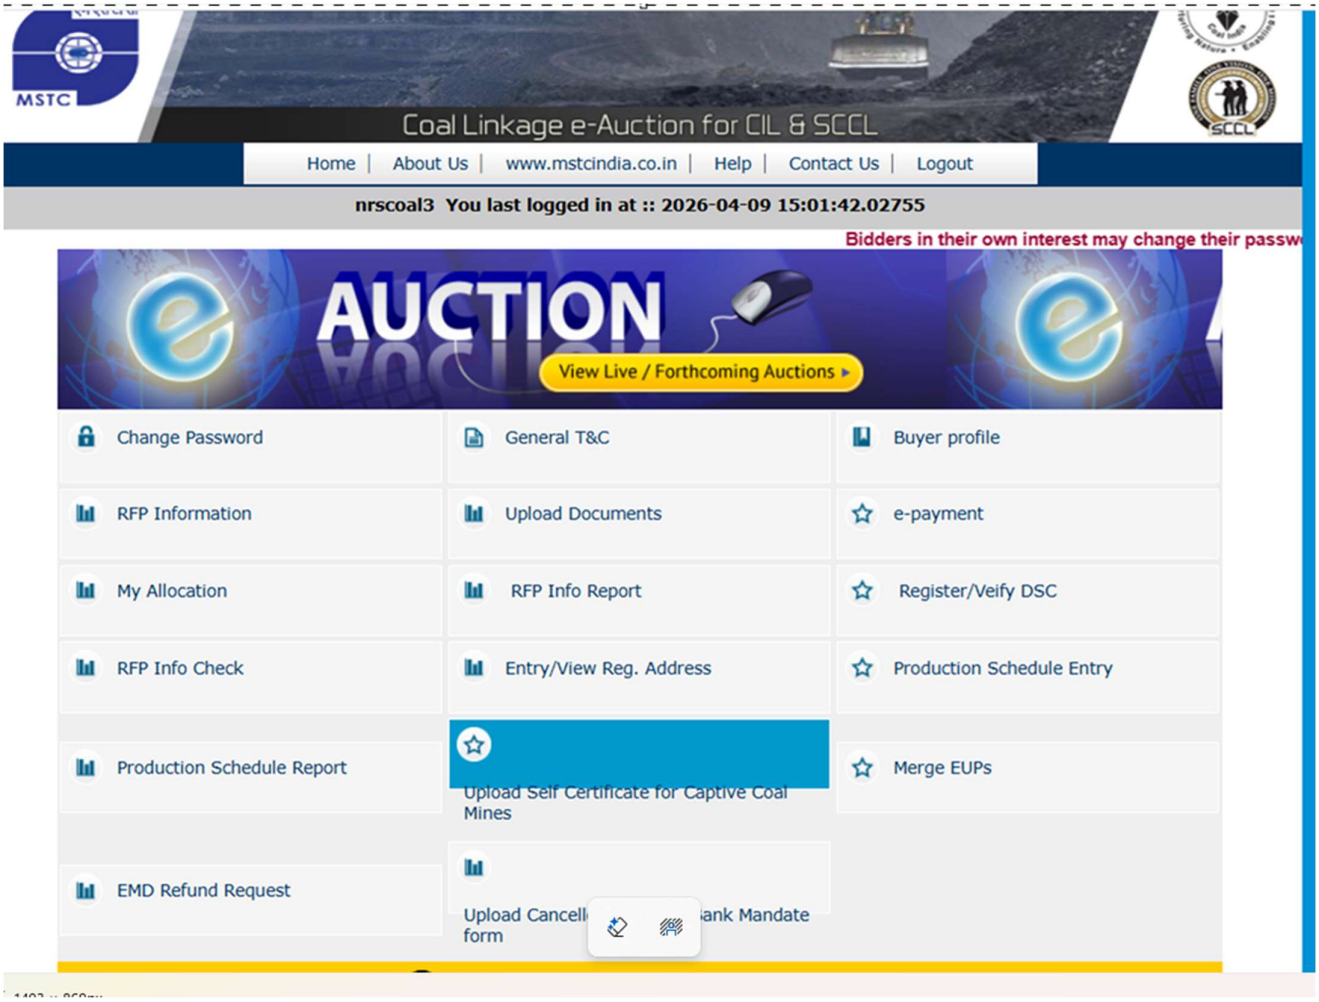




Bidder shall be prompted to create New Password



Following screen shall appear after First login. Bidders can then proceed with filling/uploading of requisite details.



Case 2 - New Registration
